## New Boys Hostel

## Head of College

As we step into a new term, we celebrate not just academic success but the values that define us—compassion, respect, and honour. These principles are at the heart of everything we do, shaping our students into well-rounded individuals who excel in their studies, sports, and personal growth. We are incredibly proud of their achievements so far and remain committed to providing a holistic education that nurtures both intellect and character.

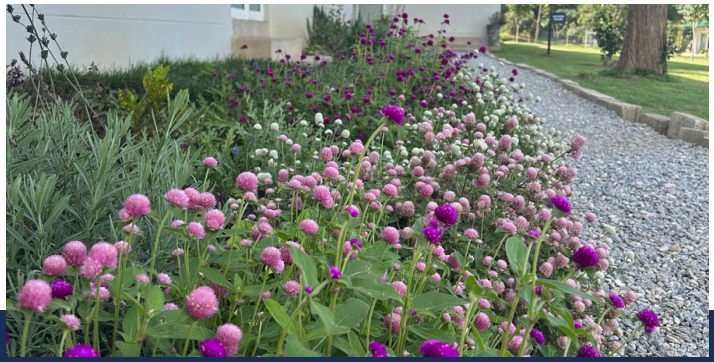

Our school's growth is a testament to this commitment. Over the December holiday, we completed the new Senior Boys hostel, which is already nearly full—a reflection of the trust and confidence in our institution. As we look ahead, we are excited for the cultural and sporting events this term and deeply appreciate the continued support of our parents in making these experiences enriching for our students. Together, let's continue striving for excellence in all that we do!

## Mamma Mia Play Practice

We are thrilled to announce that Mamma Mia! will be this year's school play for Term Two! Rehearsals are off to a fantastic start, with students bringing incredible energy and enthusiasm to the stage. Their excitement is contagious, and we can't wait to see this production come to life. Stay tuned for more updates as we prepare for a show to remember!
